### **Reluctant Readers**

#### **Peter in Peril by Helen Bate**

Peter's life is turned upside down when his family have to go into hiding to escape persecution in WW2 Hungary. This easy to read graphic novel is ideal for reluctant readers.

## Who Let the Gods Out by Maz Evans

An anarchic laugh out loud story about a boy, Elliot, who spots a shooting star one night which turns out to be a deity with a lot on her mind; and something unexpected and very nasty lurking under Stonehenge. The pair call on the Gods of Greek myths to save the world and Elliot's mum. The outrageously funny language will appeal to reluctant readers. This must-read book is probably a cult series in the making.
